LOOKING FOR THAT SPECIAL GIFT?

Consider purchasing and personally engraving your ***gift*** for a friend or family member. Place a lasting message on a decorative brick which will then be added spring, 2011 to the circular walkway around the Khatchkar Living Memorial Park at the Armenian Church of the Holy Translators. **The deadline for ordering bricks is May 15th, 2011**. Embrace memories of the past and appreciation for those in your life today who have had a lasting impact on your life by donating a brick. This permanent legacy at the Armenian Church of the Holy Translators will be treasured for years to come.

The magnificently engraved Khatchkar which graces the park was created in Armenia to remember the victims of the 1915 Armenian Genocide and to honor the survivors. It was dedicated and blessed in October 2008 during the 5th Anniversary of the Consecration of the Parish. The park is filled with bricks inscribed with loving memories of those who have gone before us and those that live on today, memorializing our commitment to our past and celebrating our Armenian Heritage today.
